Dear Regents:

As a result of the Arizona Financial Aid Trust (AFAT) fee being established by the state legislature and levied by the Arizona Board of Regents, it must remain a standalone mandatory fee.

As such, today we announce the clarification that the AFAT fee will not be rolled into the Student Engagement Fee for undergraduates nor will it be rolled into tuition for Graduate Students as we originally proposed in our October 6 and December 29, 2023, announcements.

All other aspects of our 2024-24 Tuition and Fee Proposal remain the same, making it easier to understand and plan for the full commitment necessary for students to invest in their futures.

Thank you for your ongoing support and leadership.

Sincerely,

Robert C. Robbins  
President
